## SENIOR WILL

You, the relatives of the late Senior Class of 1944 are gathered here to hear the last will and testament of the deceased.

But first let's look back over the past four years of the late departed.

Back in 1941 we entered high school as "green freshmen" a group of sixty-four. Miss Bessie Meador and Mr. Louis V. Schreiner led us through our first year.

In 1942 we numbered fifty-four and we lived up to the reputation of being "silly sophomores". However, Mrs. Mary Guill Seay, Mrs. Della Rinker, and Mr. Schreiner saw to it that we quieted down and got to work.

By 1943 we had lost quite a few of our original sixty-four but we managed to be the "jolly juniors" that Mrs. Seay, our teacher, expected us to be.

Then came the long-awaited year of 1944. As a group of nineteen under the careful guidance of Mr. Lawrence Wood we acquired the reputation of dignified seniors. The class passes on but Mr. Wood is left behind. Now to get on with the will.

We, the Senior Class of 1944 being of sound mind and body do decree this to be our last will and testament.

We, Margaret Brown, and Dorothy Lawhorn, leave our ability to rate with Army Lieutenants to those girls who are less fortunate than we.

I, Randolph Terrell, leave my ability to get along with the opposite sex to Hundley Griffith.

I, Mildred Wiseman, leave my quietness to June Painter.

I, Margaret Mays, leave my habit of promptness to anyone who needs it.

I, Harry Feazell, leave my superior ability as a soda jerker to Harold Green.

I, Martha Temlin, leave my moo-cow-moo to furnish milk to the under-privileged children of Buena Vista.

I, Earl Cash, leave my meeting places at the Southern Seminary to Fred Catlett and Maynard Decker.

I, Helen Staton leave my ability to keep quiet to next years freshman girls and they would be better off if they use it.

I, Clyde Fitzgerald, leave my ability to play baseball to Joe Ed McGahey.

I, Judy Jenkins, leave my ability to rate with sailors to any other girl who needs it.

I, Robert Breeden, leave my fabulous moustache to Marvin Morris, because of his admiration of it.

I, Katherine Coffey leave my height to Tenny Ruble.

I, Hilda Ogden, leave my athletic ability to Dorothy Agnor.

I, Jimmy Grayboal, leave my "bashful shy way with the girls" to Flash Floyd who sure could use it.

I, Edith Dixon, leave my corncob pipe, which some kind soul gave me for Christmas to Frenchie Bennett, just in case she may ever have an occasion to use it.

I, Billy Balser, leave my ability to rate with blondes to any other boy who needs it.

I, Norma Gardner, leave my nights off to whoever gets my job at the theatre - I hope she has more of them than I've had.

I, Dolly Gibson, leave my "Boogie-woogie" plans playing to Sarah Coleman so that she can really be in the groove when she accompanies Sinatra.

We, the Senior Class as a whole leave our Homeroom No. 4 to next year's freshman class.

To Mr. Wood we leave our sincere wishes for success in the future.

To Miss Glass we leave a set of post-war world maps for her government and history classes.

To Mr. Kling we leave our hopes for continued success and hope that he may soon be able to stop "whistling in the halls".

To Miss Elliott we leave a book of addresses complete with telephone numbers so that she may be sure of having a date during the man-shortage.

To Miss Meador we leave this package of henna hair dye, we think she would look cute as a red-head.

To, Mrs. Rinker we leave a book of new Math Rules and we do hope her next year's math students will apply them better than we did.

To Miss Scales we leave a new cook book, improved and enlarged, after all, we have heard rumors.

To Mrs. Seay we leave a large stack of essays so she won't ever forget the long delightful hours she has spent with Marine Heroes of World War II.

This class has led no outstanding life because of the condition of the world at this time, but we, in the Senior Class, of 1944, are proud to be able to go out and help better those conditions and to help free the world for the generations to come.

We are also glad to have had over us the talented teachers which have been our guide during our high school career and we leave to them all our very best wishes.

## PROPHECY

It is the year 1954. As we gaze into the fair face of the fickle future we see that the Class of '44 has at last grown up. "Around and around she goes and where she stops nobody knows", but when the wheel of fate does stop, it will reveal just what has become of our classmates from the old days at P.M.H.S.

What is this I see an Admiral in the U. S. Navy why it is none other than Randolph Terrell. It seems that he achieved some of his ambition after all.

Who is it that I see managing the Rockbridge Theatre? Why, it is Norma Gardner and it seems that she is doing a swell job of it, too.

What has happened to Dolly? Oh! I see now she has become Dean of Southern Seminary.

I see that we also have a well known poet from our class. It is none other than Bobby Breeden and just won the Nobel prize.

After becoming a Don Hutson with the Green Bay Packers "Fitz" is now coaching the P.M.H.S. football team. His boys just defeated Lexington 61 to 0.

After all of the arguments that Earl Cash put up in school it is no wonder that he has become a great lawyer in New York.

What has become of Mildred Wiseman? Oh! I see the name isn't Wiseman anymore it is Patrick. She and Pat are happily settled in Bristol, Virginia.

What is this I see a new Drug store in Buena Vista and it is owned by Jimmy Graybeal and Harry Feazell. They are making quite a profit.

Our friend Hilda Ogden is now a great woman athlete. She just won the title over Mildred Didrickson.

We hear that Katherine Coffey has made quite a nurse. She is head of the new hospital in Buena Vista.

What is this I see why it is Judy Jenkins who is secretary to the head of a big business firm in New York. We knew that Judy would go places.

Oh! now I know what has become of Helen Staton. She is manager of W. W. Mac 5 and 10 in our old home town. Quite a business lady.

What is this I see. It is Margaret Brown and Dorothy Lawhorne touring the camps of our standing army entertaining the soldiers. That shows that pleasure and work can sometimes go together.

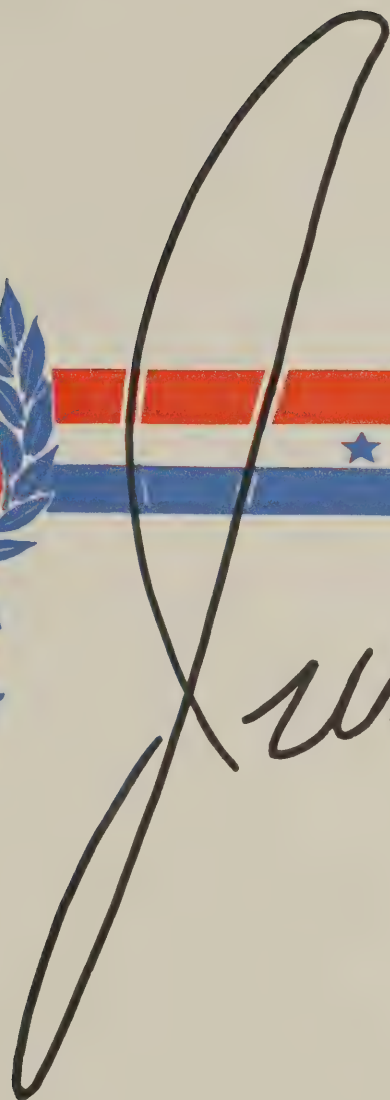

Billy Balser our Romeo of the high school days has at last settled down. He and his wife Joyce Ruble Balser are living in New York where Billy is running a night club.

Margaret Mays -is a teacher in the new F. W. Kling High School. We hear that she's especially hard on the poor children when they're late. But then, she never was herself, was she?

Edith Dixon is following in her Dad's footsteps and now owns the town's largest grocery store. We hear that she's really quite a merchant.

Martha Tomlin is the new physical ed director at Southern Seminary. In view of the way she gave calisthenics when she was in school, she should be a good one.

### "THE BRIDE'S STAND-IN"

On April 21, 1944, the Junior Class presented "The Bride's Stand-In", a three act comedy by Theresa M. Meraney. The cast was as follows:

Robin Brian, a fickle minded young thing -  
Hilda Wise  
Lynn Brian, sweet, dependable, lovable sister -  
Elva Greene  
Aunt Elsie, Maiden aunt whose one obsession is -  
"What will people think - Helen Mapp  
Mr. Brian, harassed father whose idea of heaven  
was a place to play golf undisturbed -  
Bobby Wilson  
Bob Huntington - handsome young lover of Robin -  
Claude Floyd, Jr.  
Kurt Forrest - supposedly blind fiance of Robin -  
Francis Lynn  
Mrs. N. A. Southy - determined representative of  
a children's home - Phyllis Keller  
Bridges, efficient butler of the Brians -  
James Rogers

Director - Estelle Elliott  
Assistant Director - Essie Glass

## AMERICAN JUNIOR RED CROSS

### Council

Margaret Brown	Helen Mapp
Edith Coffey	Shirley Rice
Mary Alice Shiflett	June Painter

Chairman . . . . . Estelle Elliott  
Assistant Chairman . . Marie DePriest

Our Junior Red Cross program for the current school year really got under way in November with our "Enroll for Service" campaign which resulted in a one hundred per cent enrollment of Buena Vista Public Schools representing a total of 897 members pledged to service.

In order to carry out a more effective program of service we organized a Junior Red Cross Council, consisting of six members, representative of the six high school home rooms, who were chosen to serve in the Council on the basis of their dependability, initiative, cooperativeness, and willingness to work.

Through the efforts of our Council our program of work has evolved in four major projects; namely, International, National, Service to the Armed Forces, and Local Service.

Better relations between nations is one of the foremost objectives of our government; one of the more effective means of establishing such relations is that of acquainting ourselves with the social, domestic, economic, and industrial set-ups of other countries. It was with this idea in mind that we undertook our international project, the making of two international correspondence albums to be exchanged through National Red Cross Headquarters for albums from other countries. The album, dealing with local industries, prepared by the Seventh Grade pupils of Miss Aline Anderson was sent to either Hawaii or Alaska whereas the one made by Mrs. Norman Jones Fourth Grade showing general points of interest in Virginia was sent to Canada.

We contributed to our National project through our 100% enrollment, our support of the 1944 War Fund, and in latter April successfully sponsored a clothing drive in behalf of a national children's organization.

Our Service to the Armed Forces project is Woodrow Wilson General Hospital, Staunton, Virginia. In an effort to boost the morale of the convalescents there our chapter has contributed an electric train, thirteen scrapbooks, twelve magazine subscriptions, 1 metropolitan newspaper, 808 party napkins, 400 party favors, 60 ash trays, 24 jigsaw puzzles and games, 2178 unused Christmas cards, 12 large boxes assorted Christmas tree decorations, 168 pocket-sized editions of best sellers, 50 popular records, and 50 party prize packages.

In order to expedite our Local Service program it seemed feasible to organize a Bicycle Corps. Our corps with 17 high school members and 35 upper elementary members was organized in latter October. Under the auspices of the Council the corps has been active in many local projects, particularly, in the capacity of serving as the "hands and feet" for our Office of Civilian Defense.
